

Scholarship

In addition to fundraising for our charity, which we choose every 2 years, the Minneapolis Women's Rotary supports an ongoing memorial education fund and endowment fund. Our donations are focused on supporting non-traditional women students with the intent to help women continue their undergraduate educations. Scholarship recipients have included women from:

- The Jeremiah Program (link text to <http://www.jeremiahprogram.org/>)
- The College of St. Catherine's (link text to <http://www.stkate.edu/>)
- Metro State University (link text to <http://www.metrostate.edu/>)

We are grateful to know that our scholarships have enabled "women interrupted" by life's challenges to continue their educations, and are happy to be partners in their success!
